## Business Development Manager Pharma

### Business Development Manager Pharma

Business unit: 42 market research  
Status: freelancer, self-employed  
Start: as soon as possible  
Base: own office in home country  
Remuneration: performance-related / commission based

#### Activities:

- ◆ acquisition of new customers for online market research projects, online monitors and online focus groups
- ◆ follow-up of business enquiries
- ◆ customer relationship management
- ◆ exploration of new business opportunities

#### Qualifications:

- ◆ Physician (specialised in either oncology, gynaecology, gastroenterology, pneumology, urology, diabetes, CNS) or Master of Business Administration with minimum of 3-5 years experience in business development
- ◆ well-established contacts to medical and/or market research departments of pharmaceutical companies in home country, preferably in the USA, Europe and/or Japan
- ◆ excellent reputation

Should you be interested in this vacancy, please send your detailed CV with cover letter and passport size digital picture to [info@42international.com](mailto:info@42international.com).
